Reason for Changes <p> The area directly south of Morden absolutely should NOT be part of the Emerson riding. We do all our business in Morden and Winkler (therefore have easy access to the Morden/Winkler MLA). We are on the Morden mailing list (therefore always receive mail from Morden/Winkler MLA and never from Emerson MLA). I have personally been in Emerson once in the past 10 years however we do business/visit relatives/participate in community events weekly in Morden/Winkler. The Morden community should not be divided by this riding boundary. </p>
