

Existing Electoral Division Morden-Winkler	Date 2018-01-22 20:13:46	Reference ID 0292018012310142
Quotient 22,427 Estimated Population 22,223 Deviation from Quotient -0.91%	First Name Brad Last Name Brooks	
Reason for Changes <p>Because of population growth in both Morden and Winkler and the respective catchment areas of both communities, the riding of Morden-Winkler should be split.</p> <p>The Morden-Winkler riding is now based on Winkler with Morden area put into Midland. This will result in changes to Midland and Emerson which I have submitted separately.</p> <p>I made the "Winkler" riding just slightly smaller than the median as I expect it has grown since the last census. I have tried to restrict it to villages within the Winkler catchment area.</p>
